SECOND TECHNICAL MEETING IN ATHENS

The second technical meeting of the European Project "EUROPEAN YOUTH JOBSEEKERS COMMUNITY" took place in Athens at APOPSI premises. During the three days of the meeting the best practices of Italy, Spain, The Netherlands, Romania, Greece, Bulgaria and Austria were presented. It was a very interesting meeting emphasizing the core success elements of youth projects. The next technical meeting will be held in the Randstad Region in the Netherlands from the 21st – 23rd of May 2018

Youth Worknet best practice

Two European Examples

INSIGNARE project: the focus of the project is how to improve the knowledge of job market by providing the final year students the necessary tools for an effective job searching through simulation of a real job interview with human resources expert and real job application (CV, VIDEO CV, COVER LETTER, E-PORTFOLIO).

APOPSI project: the project focus on training, counselling & certification for the employees threatened by unemployment, the employees and self - employed, mainly in the industrial sectors of the wider region of Piraeus and Thriasio.
